STATINTL

[REDACTED]

Walt: STATINTL

1. [REDACTED] ORD has certified the "need to know" of these contractor types in [REDACTED] Company. Is OSI agreeable to meet with them on 7 or 8 August as requested in the cable? If so, would you give me the names of the analysts who would be involved.

2. Any comments? Stafford is expecting a call from [REDACTED] this afternoon on this request.
